Resilience and Recovery Newsletter – April 2020

The third issue of the Resilience and Recovery (R&R) newsletter has been published on the [staff intranet](#) and [volunteer portal](#). Due to COVID-19 it is a short edition however, I thought it was important to still provide an update on the R&R portfolio, staff and the activities being undertaken in R&R.

If you have any suggestions or questions on the Newsletter, please do not hesitate to contact Angela Hennah, Executive Support Officer Resilience and Recovery at Angela.Hennah@dfes.wa.gov.au
