

Shaping the future and enriching the decision making at DFES

Volunteer Governance Committee Members wanted

This is an invitation to take your volunteering in emergency services to the next level and make a difference by joining our Governance Committees.

Do you have experience or skills that can help shape the future of DFES? Alternatively, you may like to be considered for one of our sub-committees such as Research.

People and Culture Governance Committee

The People and Culture Committee provides stewardship of people and culture related matters within DFES.

This committee fosters strategies and activities that promote a positive organisational culture while seeking to achieve the [DFES Statement of Strategic Intent](#).

**STEP 1 - Read the People and Culture
Committee Charter**

**STEP 2 - Apply now for the People and Culture
Committee**

Health and Safety Governance Committee

The purpose of the Health and Safety Committee is to assist the Commissioner and the Corporate Executive in fulfilling their oversight responsibilities in respect to compliance with health and safety legislation, culture and performance.

**STEP 1 - Read the Health and Safety
Committee Charter**

**STEP 2 - Apply now for the Health and Safety
Committee**

**Strategic Communications Governance
Committee**

The Strategic Communications Committee provides stewardship of strategic communication-related matters within DFES.

This committee fosters innovative communication strategies that build and protect the reputation of DFES while seeking to achieve the [DFES Statement of Strategic Intent](#).

**STEP 1 - Read the Strategic Communications
Committee Charter**

**STEP 2 - Apply now for the Strategic
Communications Committee**

**Operational Service Delivery Governance
Committee**

The Operational Service Delivery Committee provides stewardship of service delivery and asset related matters within DFES.

This includes overseeing and monitoring the development, implementation and evaluation of strategies that ensure our operational performance effectively aids the prevention, preparedness, response and recovery from disasters and emergencies. The committee considers:

- identification, analysis and monitoring of operational risk;
- allocation and coordination of capabilities;
- service delivery improvements; and
- operational efficacy, collaboration and interoperability.

The committee will provide a mechanism to explore service delivery planning and investment in front line assets, whilst recognising individual service requirements.

**STEP 1 - Read the Operational Service
Delivery Committee Charter**

**STEP 2 - Apply now for the Operational
Service Delivery Committee**

What else do you need to know?

We encourage you to read the charters for each committee. They will link to the Volunteer Portal homepage announcements section. You will need to be a registered user for the Volunteer Portal. All emergency services volunteers registered with DFES can access the Volunteer Portal with their Volunteer ID number. If you have difficulties with this contact our support team at volunteering@dfes.wa.gov.au.
