

LOCAL GOVERNMENT ACT REVIEW ►► DELIVERING FOR THE COMMUNITY

Local Community – Have your say!

What do you think?

- Should charities pay rates?
- Should there be compulsory local government elections?
- When should it be mandatory for local governments to engage with the community?
- How should local governments handle complaints?

These are just some of the questions that are being raised to help develop a new Local Government Act.

The Department of Local Government, Sport and Cultural Industries wants to hear your views!

You are invited to attend a drop-in session to have your say on ways that local government can be transformed.

What you will get from this session:

- Learn about the areas considered for reform.
- Share your thoughts and ideas to improve the way that local governments operate.
- Make suggestions about how local governments can better deliver services to their communities.
- Ask questions about how potential changes to the Act may affect you.
