AUSTRALIAN FIRE DANGER RATING SYSTEM SINGLE SIGN ON

The Australian Fire Danger Rating System (AFDRS) Fire Danger Viewer (FDV) and Fuel State Editor (FSE) will be updated to feature Single Sign On (SSO) functionality for registered users. SSO will be available from the morning of **Thursday 17 April 2025**.

To login via SSO, please use the Corporate ID sign in section on the FDV/FSE. See [AFDRS SSO Login Guide](#) for details.

All DFES staff can register for access to the AFDRS FDV by submitting the form at the end of the training available on eAcademy.

For more information, please contact the Australian Fire Danger Rating System team at AFDRS@dfes.wa.gov.au.
