DO YOU HAVE 10 MINUTES TO SHAPE THE FUTURE?

Our *Strategy 2020-2024* is nearing its planned conclusion and work has begun on our next strategic plan.

Developing the new strategic plan means we can consider our opportunities and challenges, and make sure our priorities are still relevant to our future operating environment.

We need our most valuable asset, **you**, to have **your** say.

Independent research company, Metrix Consulting, is conducting an anonymous survey on our behalf.

The survey will take about ten minutes to complete.

All data collected is confidential and you will remain completely anonymous.

This data will not be used for any purpose other than to help us develop the new strategic plan.

So please, click on [this link](#) and be part of DFES future.

For more information, please contact Karen Jordan, Strategic Coordinator on governance@dfes.wa.gov.au.
