NAME CHANGE OF WANNEROO FIRE SUPPORT BUSH FIRE BRIGADE

Key Message

As of 1 July 2025, the Wanneroo Fire Support Bush Fire Brigade will be changing their name to North Coastal Bush Fire Brigade, Wanneroo. The appliances will be named in CAD as North Coastal BFB (then appliance type).

What's been happening?

Wanneroo Fire Support Bush Fire Brigade has been supporting incidents in the North Coastal Region with:

- Incident Control Vehicle
- 12.2 Bulk Water Carrier
- Fire Support Vehicle
- Collar Tank Trailer
- Mobile Canteen Trailer

While these assets will still be available, to accurately reflect the operational capability and avoid confusion with Wanneroo Central Bush Fire Brigade, Wanneroo Fire Support BFB will be identified as North Coastal Bush Fire Brigade, Wanneroo.

What does it mean for me?

From 1 July 2025 Wanneroo Fire Support BFB, will no longer be found in CAD. Assets are still available but will be identified as North Coastal BFB.
