2024 Metropolitan Pre-High Threat Period Forum - Livestream

The 2024 Metropolitan Pre-High Threat Period (HTP) forum will be held from 0800hrs to 1400hrs on Saturday 12 October 2024. This event will provide valuable information for all personnel prior to the HTP and all volunteers and staff are encouraged to attend or view the live stream.

Due to limited numbers, attendance to the forum is via invitation only and we encourage those unable to attend in person to view the live stream during the event. The forum will commence with opening addresses from the Minister for Emergency Services, the Honorable Stephen Dawson MLC and the Fire and Emergency Services Commissioner, Darren Klemm AFSM, followed by several information sessions.

This year's forum will cover topics such as the seasonal outlook, operational expectations, the latest emergency service capabilities, and logistics updates.
